# Ashburton Domain

## Information about this special activity...

**Location:** Off the main road in central Ashburton. You will see a long brick fence along the outside of the domain along West Street.

**Special Features:** It is nice and shady and you can come and have a great time there. You are able to picnic and BBQ while playing on the playground or walking around the wonderful gardens and aviary. There are a number of sports fields that offer lots of space and places to play.

**This activity is significant to our town because ....** This 37.54 hectare park is a significant open space area within walking distance from the commercial area of Ashburton.

**The activity is important to us because.....** . You have lots of things to do at the Domain like playing on the flying fox, paddling in the paddling pool, playing sport, feeding the ducks, go to the island, playing in the Playground, doing the obstacle course and just resting.

Hello Kowhai,

Our group has been to the Ashburton domain and had a great time! We have just been to the aviary and seen a talking cockatiel and it was cool! It was a hot day so we went and had an ice cream under a tree to make ourselves cool. Next Wyatt and I went and had a paddle in the paddling pool while Amelia went on the huge flying fox. At the end we had a walk in the lovely gardens I hope you read my letter tomorrow

From Reid , Amelia , and Wyatt.
